# HOW BOOSTER FUNDS WORK

Every booster purchase is strategically allocated to ensure ecosystem longevity and a stable listing price.

## THE POWER OF THE POOL

More boosters → deeper liquidity → a stable listing price.  
Bulk-mine now to maximize wealth at listing.

## LISTING STRATEGY

GGC lists on public exchanges once user-acquisition and mining milestones are met.

# COMING SOON

Massive new utility & burn mechanics on the horizon.

## GGC Wallet

A dedicated in-app Web3 wallet to seamlessly swap mined GGC directly for USDT.

Instant swaps

Self-custody

Secure

## GGC GameHub

A Play-to-Earn & Play-to-Consume gaming ecosystem — spend GGC to play, or play to earn more.
